QUICKSILVER  
PROPERTY OPENED  
UP NEAR BEATTYTWO PROPERTIES PREPARING TO  
EXTRACT MERCURY FROM  
PAYROCK

That there is considerable activity in the Beatty district where preparations are under way for the operation of cinnabar properties, was the word brought to Tonopah yesterday by J. A. Klampf, the Rhyolite civil engineer, who is spending a day or two here attending to business affairs.

The properties are making preparations to retort the mercury element from the ore. Mr. Klampf stated that he had been informed that a ten-ton furnace was soon to be installed on property owned by Dick Wiggers, while a retort of 1600-pound capacity had been ordered for the Kerman property.

It has long been known that cinnabar was to be found in the vicinity of Beatty, but it was not until lately that a discovery was made that the ore in paying quantity was to be found. Considerable activity is to be noted in the entire district, and it is probable that further important discoveries will be made as the work progresses.

Following a visit of inspection yesterday, made in company with Superintendent Bradshaw and Messrs. WILL REOPEN  
THE PROBE INTO  
MEXICAN WARSENATOR SMITH DECLARES THAT  
UNITED STATES MAY YET  
INTERVENE

LOS ANGELES, Sept. 30.—Senator Smith reopened the problem of the revolution today because of the appearance of new witnesses who had been subjected to indignities. He declared: "I do not care to predict American intervention, but the government will not allow any foreign power to interfere. Hundreds of Americans have been insulted, wounded and killed and hundreds of millions worth of American property confiscated and ruined. The government should not permit the interference of Germany, France and England."

Is A "Regular Customer"  
Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
